Day Prophecy

And from the time that the **daily sacrifice is taken away**, and the **abomination of desolation is set up**, there shall be **one thousand two hundred and ninety days.** *Daniel 12:11*

1 prophetic day = 1 literal year

See Numbers 14:34; Ezekiel 4:5, 6

1,290 Days = 1,290 Years

Daily = “Tamiyd” in Hebrew (continual)

The theme and context in which the ‘daily’ is used in the book of Daniel is the sanctuary.

The “tamiyd” is used in connection with the Holy Place:

- perpetually burning incense, Ex. 30:8
- perpetually burning lamps, Ex. 27:20
- ever present shewbread, Lev. 24:8; Ex. 25:30

The daily, ever-continuing ministrations of the earthly sanctuary, typified the never-ceasing ministry of Christ in the heavenly sanctuary.

Abomination of Desolation

The life, death, and high priestly ministry of Jesus (“the prince of the host”)—the foundation of Christ’s work in heaven was lost or, in a sense, “cast down” through the papal practices of the mass, priesthood, confession, and mediation.

A.D. 508

Clovis, king of the Franks, established the priesthood of the Papal Church. Christ’ continual mediation in the heavenly sanctuary was cast down in favor of an earthly priesthood who blasphemously took upon itself the prerogatives of Christ.
